

## CLEO

Nice to meet you, people. My name is actually Cleopatra, but everyone calls me Cleo. Like Eos, I come from Plakias where I was born. When I was 2 years old, I moved with Eos to Arno and Barbara in Kournas.

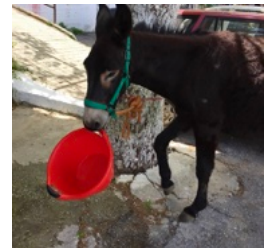

I am now 7 years old and the proud mother of Zoë. I'm actually the most beautiful donkey and often greeted first. I know Eos is number 1, but I also want to be the first.

I have a lot of people skills and can tell immediately if I can trust someone. I enjoy walking with these people during a hike. I find little children and young animals very cute. There are sheep living in the field next to us, and they have lambs. They are so adorable. Whenever we pass by, I always check if they're doing well.

I like to walk in the front, and Eos allows me to do so. During long hikes, Eos often takes the lead. I also like to roll in the sand, but I only do it when I feel completely safe. I lie down with my belly fully exposed!

4 years ago, Eos and I spent a night together with a young male donkey in an olive grove. The male donkey found me very lovely, and I thought he was quite handsome too. We had a great time cuddling and such. Exactly one year later, my daughter Zoë was born. I was very busy taking care of her, but now she's 4 years old and doesn't need me as much anymore.

We enjoy playing with each other and love running and jumping. Occasionally, Arno takes my daughter for training, and I don't like that. I'm not used to being without her. Thankfully, Barbara stays with me, and Zoë comes back soon.

Would you like to go for a walk with me too? I love carrots and oranges.
