Hello {{voornaam}},

In a while, 2019 will be over! Arno and I (Barbara) are happy to look back on the past year in which a lot has happened and in which we experienced a lot of things in Kournas.

2019 was ...

We enjoyed the many beautiful sunny days, but the days with rain were sometimes very welcome. We braved the warm southern winds and cold northern storms and walked through the puddles to our ankles. The high waves in the sea were intense but also very nice. On some days it was pretty busy in Kournas, but there were also very quiet days when the tourists just drove through the village.

Kournas

Many tourists discovered the village of Kournas for the first time this year and many were positively surprised. They enjoyed the peace and the traditional village life. At Mandali we also met a lot of new people, we had interesting conversations and made people happy with useful information, a nice walk, tasty local products and special gifts.

Donkeys

Our donkeys Eos, Cleo, Zoë and Popy were also a reason for many people to come to Kournas. Or for a walk or just to cuddle or to take a picture. From her birth on April 3, Zoë was a real crowd puller, but also the oldest donkey Popy has her own fan club.

2019

In short, 2019 was a year with a lot of variety, many new things and special experiences. We have great memories of 2019.
