

# Thank you!

---

In between the normal newsletters, Arno and I would like to look back on the summer season of 2021 in this newsletter.

Just like in 2020 it was a bit exciting. We didn't really know what to expect from another summer season with many rules regarding Covid. We also had no idea if it would get crowded and (more importantly) if we would make it physically.

## **surprising**

We were surprised this summer and we can say that we had a good, cosy, flexible, surprising and very warm season. Things turned out a little differently than expected: Arno was in the store most of the time and Barbara was walking with and without donkeys in the backyard. It took some getting used to, but it worked fine.

The Covid measures also made it a little different, but we have made many people happy again this season with our tasty, healthy local products from Kournas.

We would like to thank you for your visit, the special stories, the many drawings and stories in our guestbook, for the questions, the useful feedback, the sponsorship (also by people who unfortunately did not come to Crete) and the support and useful tips.

And not to forget, the many tasty and special gifts that you brought or sent. It seemed like we had a birthday every month.

We have seen many familiar faces again this summer and many new customers will certainly return.

Thank you also for your purchases, the orders, the advertising you have made for Mandali and for the nice and educational walks with and without donkeys. Just like last year, several people have also walked 2 and even 3 times with our 4 longears this summer.

You were our business card and the reviews on Tripadvisor and Google and your reactions and likes on Facebook also helped us a lot. Thank you for being there.

Also on behalf of our donkeys Eos, Cleo, Zoë and Popy a loud "IIIIIAAAAAA" (read: thank you)

Arno and I wish you a nice winter. Stay warm and healthy and we look forward to seeing you again at Mandali in Kournas.

Warm winter greetings,  
Arno and Barbara
